Good morning, Shanta. I understand that you are busy and working on that one specific case, so it is OK. I will not include you on any additional meetings until later in the month. I can handle the continued work on flonicamid on my own with Marion's input so that we can get the proposed decision memo back to the RD-IO for the start of the public participation process in late January 2021. Have a great week!! Carmen.

Hi Carmen,

Debra and I will be working on Aldicarb until late next week. We will not be able to attend meetings not related to this topic until the action has been completed.
